## Local Businesses Team Up to Raise Funds for Breast Center

Kingston, N.Y. – August 7, 2012 – The Benedictine Health Foundation was recently presented a check for \$790 to support the Fern Feldman Anolick Center for Breast Health at Benedictine Hospital. Brian and Buffy Gribbon, owners of the High Falls Café and John North, Golf Pro at Stone Dock Golf Club, held a BBQ and Golf Outing on Memorial Day Weekend to support the Center.

Guests enjoyed great food and live bands throughout the day. The event also marked the grand opening celebration of the High Falls Café, which has been family owned and operated since 2005, at their new Stone Dock Golf Club location. The restaurant offers specialty dishes, casual indoor and outdoor dining, live music

weekly, private parties and catering. Stone Dock Golf Club is a challenging and scenic nine-hole golf course with views of the Mohonk Tower and is open to the public.

The new Center for Breast Health opened in December of 2011. The Center offers expert medical staff and advanced technologies to provide the most comprehensive preventive, diagnostic, treatment and recovery services available in the Hudson Valley.

**About Benedictine Health Foundation**
