Ulster County Italian American Foundation Supports Local Cancer Patients

Kingston, N.Y. – January 21, 2016 – The Ulster County Italian American Foundation presented a check for \$1,000 to the Benedictine Health Foundation (BHF) in support of their cancer patient program, The Rosemary D. Gruner Memorial Cancer Fund. The Fund has provided over 1500 Mid-Hudson Valley residents receiving cancer treatment with \$675,000 in financial assistance. For further information contact the Foundation office at (845) 334-3017.

The Ulster County Italian American Foundation (UCIAF) was founded in June 2015. “The main focus of the UCIAF is to sustain the traditions of Italian Americans in Ulster County, celebrate our heritage, and give back to the community, helping those in need. We raise funds primarily through our annual Italian American Festival held the day before Columbus Day each year,” stated Tony Marmo, President.
